Twelve cents (12¢) per hundredweight is due when the “beans” (dry beans and dry bean seed, snap beans and snap bean seed, organic beans and organic bean seed) are first handled in the primary channels of trade, and shall be paid no later than the 15th day of the month succeeding the three (3) month period in which such beans were handled.

If a dealer or shipper sells beans grown by another, he may charge against or recover from the grower eight cents (8 ¢), but he shall remain liable for and pay four cents (4¢).

However, if the dealer or handler is only cleaning the beans for the grower, i.e., not selling the cleaned beans, he shall charge against or recover from the grower the entire tax of twelve cents (12¢) per hundredweight.

Even if no tax is due, a “zero” tax return must be filed with the Commission at the end of each quarter.
